

# YOUTH SUBSTANCE USE PREVENTION SKILLS TRAINING

**Wednesday,  
September 27, 4-5:30PM**

**Frothingham Hall  
15 Barrows St. North Easton, MA**

**For school personnel, law enforcement, parents,  
youth, and all those working with youth looking to  
develop skills to:**

## **UNDERSTAND ADOLESCENT BRAIN DEVELOPMENT**

Increase your understanding in the basics of adolescent brain development and better understand the risk factors contributing to adolescent substance use/misuse

## **TALK TO YOUTH ABOUT SUBSTANCE USE**

Increase your confidence in talking to an adolescent about substance use/misuse.

## **CONNECT YOUTH TO RESOURCES**

Increase confidence in being able to refer youth to appropriate resources for substance use/misuse treatment
